

For Immediate Release

CANADIAN VALLEY LOWERS ITS PRICES FOR RESIDENTIAL DSL SERVICE

CROWDER, OKLAHOMA—Canadian Valley Telephone has announced that it has lowered its prices for residential DSL service. Current customers and new customers signing up for the high-speed Internet service will benefit from the prices that are as much as 20 percent lower than before.

“As the prices of the technology drop, it is our philosophy to pass those savings along to our customers,” said Orlean Smith, CVTC president and general manager. “Canadian Valley is committed to provide our customers with top-notch service at the best possible prices. I’m happy that we can pass these savings along to everyone.”

Customers can choose from three residential plans:

Silver Plan - \$44.95/month
384k downloads/128k uploads
1 email address

Gold Plan - \$51.95/month
960k downloads/256k uploads
2 email addresses

Platinum Plan - \$59.95/month
1.5MEG downloads/384k uploads
3 email addresses

For more information or to order one of these new plans, contact Canadian Valley Telephone at 918-334-3700.

Canadian Valley Telephone Company has served the Canadian and Crowder areas of southeastern Oklahoma for more than 70 years. CVTC provides its customers all of the latest telecommunications services to meet their needs – local, long-distance, cable TV, and Internet, both dial-up and high-speed DSL. The company can be reached at 918-334-3700 or at cvstaff@cvok.net.
